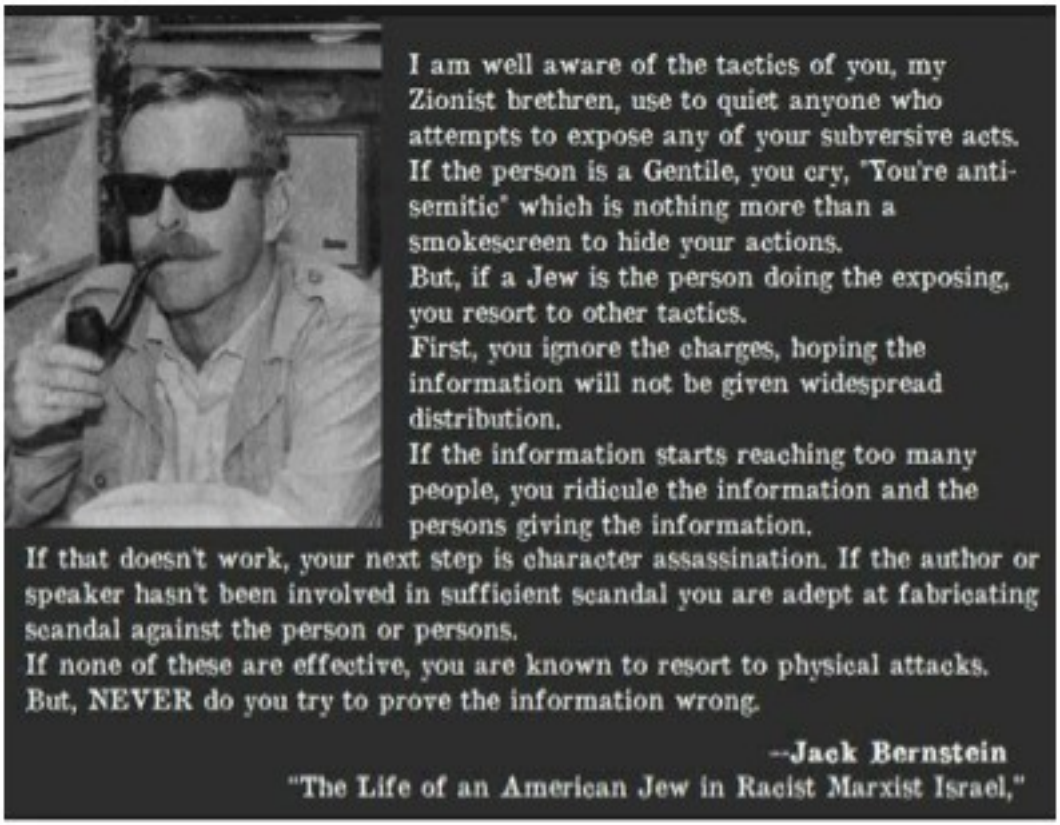
MY BIBLE PROPAGANDA SERIES - JEWISH ZIONISM HAS INFULTRSTED THE CHRISTIAN CHURCH



I am well aware of the tactics of you, my Zionist brethren, use to quiet anyone who attempts to expose any of your subversive acts.
If the person is a Gentile, you cry, "You're anti-semitic" which is nothing more than a smokescreen to hide your actions.
But, if a Jew is the person doing the exposing, you resort to other tactics.
First, you ignore the charges, hoping the information will not be given widespread distribution.
If the information starts reaching too many people, you ridicule the information and the persons giving the information.
If that doesn't work, your next step is character assassination. If the author or speaker hasn't been involved in sufficient scandal you are adept at fabricating scandal against the person or persons.
If none of these are effective, you are known to resort to physical attacks.
But, NEVER do you try to prove the information wrong.

The minute I hear the word Zionism I think of Communism and the DEEP STATE because they are bedfellows. Zionists are NOT JEWS. Zionism was formed as a political movement in Khazaria by an evil renegade group that where were finally kicked out of Southern Russia for their criminal activities. They only pretended to be Jews for political purposes and to gain global control. BOTTOM LINE Jewish Zionism is a wing of the ASHKENAZI ZIONIST SHEPHARDIC JEWS AND MEROVINGIANS NWO DEEP STATE MOVEMENT.

Christian Zionism is often dismissed as a modern invention—something cooked up in the nineteenth century by dispensationalists, popularized by the Scofield Reference Bible, and amplified through Hal Lindsey's *Late Great Planet Earth* and the *Left Behind* series. While Zionist Beliefs certainly represent the beliefs of most visible contemporary church Philosophies, the **story runs much deeper with beliefs that go back to the worship of the "alien gods**" in the Old Testament.

Christian Zionism, or "restorationism" as it was earlier known, is a Protestant interpretive belief system that insists that the Jews and the land of Israel retain ongoing theological significance in God's plan **when they do not**. They are actually the plans of the "alien gods and angels of the Old Testament. The ORIGINAL CHRISTIAN MOVEMENT MIGRATED WEST THROUGH TURKEY INTO EUROPE AND THEN INTO AMERICA, It was not a Zionist movement ORIGINALLY. Zionism was incorporated into the bowls of the church under the Pentecostal (Born Again Fundamentalist)

movement that came up with the pretribulation rapture philosophy etc.

This is why you see fundamentalist Christians backing Israel. THEY ARE ZIONISTS. These Ashkenazi Sephardic Jews and Merovingian Movements were evil Zionists who worshipped the alien Elohim gods known as Satan's and his minions and were known as the **"Sons of Satan" from the Synagogue of Satan.** They were associated with Cain and the Edomites, the Tribe of Dan etc. The Zionists in Germany used the Belford Accord to migrate out of Nazi Germany into Israel before and after the 1940's to set up their Zionist State that rules Israel today. They are an EVIL NAZI MOVEMENT that actually killed the Jews in the concentration camps in Germany.

In the letters to the early Christian churches of Smyrna and Philadelphia in Revelation 2:9 and 3:9, Jesus makes reference to a Synagogue of Satan (Greek: συναγωγή τοῦ Σατανᾶ, synagōgḗ toũ Satanã), in each case referring to a group persecuting the church "who say they are Jews and are not". The verse has often been used to justify antisemitism. Evangelical scholars broadly disagree with these interpretations, based on the fact that the suspected author of Revelation was likely Jewish. Similar language is found in the Dead Sea Scrolls, where a small persecuted Jewish sect considered the rest of Judaism apostate, and called its persecutors "the lot of Belial" (Satan). The phrase is also used in a fragment of a lost work on Dioscorus I of Alexandria found at the Monastery of Saint Macarius the Great in 1923 and identified by American theologian William Hatch.

First there is a big debate today as to which John or who wrote the Book of Revelations.

Christian theology—often label the Zionists as supersessionists because they use replacement theology which view the Fundamental Christian Church aka the new Pentecostal Church as true Israel. That does seem to be true in a certain sense, because the Christian movement did not stay in Israel it migrated west after the captivities that of the original Israeli inhabitants were removed from Israel after the a war they lost in 722 B.C. as did many Jews around 200 years later.

The Apostle Paul and the Marcionite movements migrated west out of Israel as well after Jesus ministry, My point is that there were several bloodlines that migrated out of Northern and Southern Israel that migrated west into Europe and America.

At the time, most Palestinians were Muslim, and some were Christian and Jewish as well.
But a small group of Jewish settlers from Europe had already started moving to Palestine in the 1800s.

The Israelites teach that the Old Testament land was promised to Abraham by his god, however the truth about who Abraham had been in the Old Testament was compromised. We have to remember that Abraham was actually an Israelite BRAHMAN aka "A BRAHMAN" with a tiny tribal following of Israelites that came from Mesopotamia and settled in Canaan. The Jews were part of the Canaanite Edomite etc., Tuatha De Dannan tribes who also came from Mesopotamia to settle in Canaan but were DIFERENT TRIBAL BLOODLINES. (that is another subject to cover at a different time). Whoever Abraham was, if he existed at all, promoted beliefs that the Jew and Pharisees opposed.

Jews were NOT JESUS PEOPLE (ORIGINAL BLOODLINE) nor were they of the Old Testament bloodline of A BRAHMANS tribe. " Jesus called out the hypocrisy of those who claimed Abraham as their father but actively rejected what he taught. What appears to have been going on is that it was A-BRAHMAN who lead the Israelites into Canaan, while the Jews were worshipping Yahweh Ildabaoth the Demiurge, known symbolically as a lion-faced reptilian alien which is no surprise to those of us that are making the alien connections to the gods and angels of Old Testament lore. The lore seems to be telling us that the Israelites were A Mesopotaminan BRAHAM bloodline SEED. It appears as though the Jews worshipped Yahweh Ildabaoth the Demiurge after the Deuteronomy revisionist came along (about 700 years before Jesus came to town) to claim that the Jews only worshipped Yahweh while the Jewish Pharisees where

worshipping the leader of the Elohim Fallen Watchers who Christianity refers to as Satan. **What a can of worms.**

Who are the Jews? What is their ancestry? Are the Jews a homogenous race? Are Jews descended from Abraham, Isaac, and Jacob? Today, DNA science reveals that almost all the Jews in the world come from Khazaria. They are not of the blood lineage of Abraham and the prophets, but of King Bulan and the pagan peoples of the Caucasus. The ancestors of today's Jews are not Israelites but are Khazarians. Khazaria's people, in the 8th century, converted from paganism to Judaism. In the 10th century, these Khazarian "Jewish" converts emigrated to Eastern Europe, and especially Poland and Lithuania. In 1948, the Khazars, erroneously believing themselves to be "Jews," arrived in the territory of Palestine and set up the state of Israel. The people of Israel today are virtually all of Khazar (Turk/Mongol stock) extraction. The "Jews" have no genetic claims to the land of Israel and no family connection whatsoever to historical Israel. DNA science joins recent discoveries in history and archaeology to present the world with a correct and remarkable picture of the Jewish people. Now, everything changes!

AI Overview

The land referred to as the "Holy Land" did not receive this name at a single point in time, but rather the term developed over centuries due to its religious significance for Judaism, Christianity, and Islam, with roots in ancient texts and solidified through historical events and religious traditions, including the Quran and the Crusades. The area was known by various names, including "Canaan," "Israel," and "Judea," before the concept of a "Holy Land" emerged and became more widely used in broader contexts.

"The last card" according to von Braun's testimonial to Dr. Rosin is the extraterrestrial threat. Whistleblowers and insiders have stated numerous times that many of the UFO sightings are potentially "our own" crafts as this technology has been around for many years through reverse engineering.

What is the purpose of these lies?

These Zionists claim that Israel's role was temporary that it was a shadow or illustration that was completed in the JROCCC Pentecostal Church movements. Christian Zionism emphasizes that Christians were "grafting into the Jewish bloodlines" which is symbolized as the Jewish olive tree (Romans 11:17-18). Were these the early Christian Zionists that were grafted into the original Jewish movement? Zionism insists that ethnic Zionism Israel's call to the land of promise remain irrevocable (Romans 11:29). In this view, the modern Zionists migration to the land of Israel represents, at least in part a prophetic fulfillment. KEEP IN MIND THAT **JEWISH** ZIONISM IS A SATANIC MOVEMENT THAT ONLY PRETENDS TO BE A JEWISH MOVEMENT THAT HAS LIED TO ALL OF US FROM THE BEGINNING ABOUT WHO THEY ARE AND WHAT THEIR COVERT AGENDAS REALLY ARE.

NOTICE HOW THE ZIONIST LIE IS BEING USED TO MIND GAME CHRISTIANS

Christian Zionism significantly predates modern Jewish political Zionism. It emerged among second-generation Zionist Protestant Reformers whose revisionist reading

(doctored interpretation) of biblical prophecy anticipated a physical return of the Jews to the Holy Land as a precursor to End-Times events or the fulfillment of God's (the gods) covenants with Abraham.

Jewish political Zionism, by contrast, arose in the late nineteenth century as a largely secular, nationalist response to European anti-Semitism. It was led by Theodor Herzl. The two movements intersected productively, with Christian restorationists offering theological, political, and diplomatic support that helped legitimize and advance Jewish Zionist agendas, particularly in Britain and the United States.

Christians often framed Jewish restoration in eschatological End Times) terms where it was actually a evil political take over of the Protestant movement that was covertly promoting the **End Time Delusions of Mankind.** The blending of this CHURCH and STATE alliance proved instrumental in the founding of the modern Jewish Zionist state in Israel today and is why the fundamental, Pentecostal Christian Church supports Israel today.

The central tension traces back to the New Testament itself where Paul describes Gentiles as being grafted into the Jewish olive tree and Christians as part of "the Israel of Jesus and our Heavenly Father" (Galatians 6:16). This data is a convoluted mess of misinterpretations or altered scripture. Supersessionist interpretations see this as the modern day JROCCC Church fully inheriting and replacing Israel's role in the world. The Parable of the Tenants (Matthew 21:33–46 and parallels) is frequently cited: It is identified as Our Heavenly Father who leases His vineyard to Israel, sends prophets (who are rejected), then His Son (who is murdered). Then the vineyard is given to "others" which seem to be the Jewish Zionist JROCCC Church.

The Core Theological Divide

Contrary to this parable, however, Christian Zionism maintains that the Bible's narrative keeps ethnic Israel and the physical land of Israel central even after Christ left the earth, by using their Pious Fraud (Roman Bibles etc.) to promote their FALSE DOCTRINES. The Abrahamic covenants

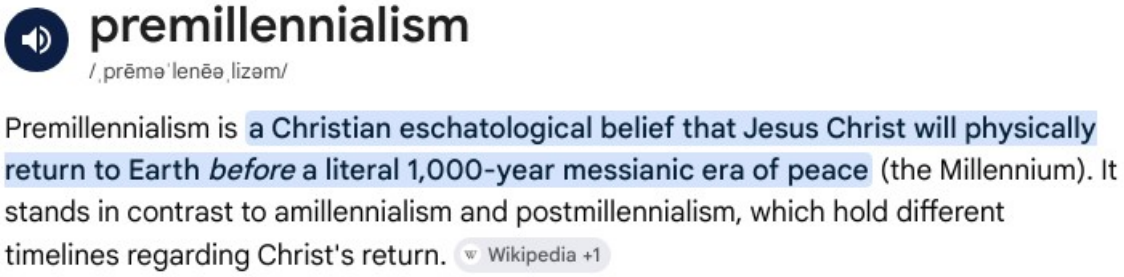
(Genesis 12, 15, 17) are read as unconditional and everlasting for the Jewish Zionist people “according to their alien human hybrid flesh aka (bloodline lineage). Early Gentile believers in Jesus saw themselves as faithful Israelites, not as founders of a new Zionism religion that discarded their ORIGINAL ethnic and territorial identity. Yet as Gentile converts multiplied, the Zionist Church increasingly positioned itself as superseding the ORIGINAL CHRISTIAN MOVEMENTS. This view has dominated the JROCCC movement for roughly 2000 years.

THE ZIONISM REFORMATION AND PURITAN MOVEMENTS WERE THE KING PINS OF ZIONIST LIES IN AMERICA

These Zionism ideas gained little traction among Lutherans. Martin Luther’s early friendliness toward Jews gave way to fierce opposition that can be found in ***On the Jews and Their Lies*** **(1543)**. The real momentum developed in the Calvinist and especially English Protestant circles. Early figures like Francis Kett (executed in 1589) and Edmund Bunny advocated a Jewish return to Palestine as part of God’s "the gods" (aliens) plan. Among the Puritans of the 17th century, apocalyptic hopes revived expectations of a literal Jewish restoration. WHAT A CAN OF WORMS. No wonder these early movements were so dangerous.

John Milton exemplifies this Puritan stream. In *Paradise Regained* (1671), Jesus anticipates the Jews’ return to their “native land” through divine providence. Milton’s *De Doctrina Christiana,* published posthumously in 1825, further supports restorationist themes. He aligned theologically with figures like Thomas Brightman, Joseph Mede, and Increase Mather, even as his political engagement remained limited. His support for Oliver Cromwell, who facilitated the informal readmission of Jews to England in the 1650s after their 1290 expulsion, occurred amid this millenarian climate. No wonder the early Pentecostal JROCCC church’s Zionism had such an awful reputation through out history.

GERMAN PIETISM AND 19TH-CENTURY PREMILLENNIALISM AGENDS



premillennialism
/ˌprēməˈlenēəˌlizəm/
Premillennialism is a Christian eschatological belief that Jesus Christ will physically return to Earth *before* a literal 1,000-year messianic era of peace (the Millennium). It stands in contrast to amillennialism and postmillennialism, which hold different timelines regarding Christ's return. Wikipedia +1

German Pietism, beginning with Philipp Jakob Spener in 1675, promoted his or the love for the Zionist Jews and prioritized their evangelization, countering centuries of contempt. The Jewish Zionists were a hated race. British evangelicals like Lord Shaftesbury actively promoted Jewish Zionist settlements in Palestine while claiming it was for biblical and strategic reasons, as the Ottoman Empire declined. John Nelson Darby advanced dispensational premillennialism, sharply distinguishing Israel from the Church and assigning national Israel a future role in tribulation and the millennial kingdom, though Darby himself was more passive about engineering Jesus' return in the present “church age.”

WHAT THEY WERE DOING IS PROMOTING A PRETRIBULATION RETURN FOR JESUS THAT INVOLVES AN ALIEN EVENT WHERE THE DEAD IN CHRIST OR THOSE WHO DO NOT FOLLOW JESUS LEAD ARE ABDUCTED BY "the alien gods" CHRISTIANS ARE BEING SET UP WHILE THE WORLD IS ASLEEP.

THE SCOFIELD REFERENCE BIBLE AND POPULARIZATION IN AMERICA

No single publication did more to embed Christian Zionism into American evangelicalism movement than the Scofield Reference Bible, first published in 1909 by Cyrus I. Scofield.

Building on Darby's Zionists framework, Scofield's annotated King James (a nasty evil Zionists King's) version of the JROCCC Bibles that further presented dispensationalism (Born Again Pentecostal beliefs) as straightforward biblical truth. Its notes emphasized a literal interpretation of prophecy not a symbolic reference for what is to come. The movement included a strict separation between Zionists Israel and the Church, a pre-tribulation rapture (alien abduction), and a future role for national Zionists Israel—including the Zionists return to the land of Israel.

OH WHAT A WICKED WEB WE WEAVE WHEN WE PRACTICE TO DECEIVE

Then we have the Scofield's commentary on Genesis 12:3 ("I will bless them that bless thee, and curse him that curseth thee"), which was an early Jewish Zionists, curse on the Nation of Israel as a divine principle. This reading was reinforced in later editions that encouraged uncritical support for there Jewish Zionists restoration and, eventually, the establishment of the modern State of Israel. The Scofield Bible sold millions of copies, shaped generations of pastors and laypeople, and helped transform dispensational premillennialism belief into the pretribulation rapture (aka alien abduction) scenarios, from a minority view into a dominant force in the American fundamentalist movement. It provided the theological rise to popularity of people like Hal Lindsey and the popular *Left Behind* series, making Christian Zionism a mass phenomenon.

The Jewish Zionist flag is the foundational design adopted at the First Zionist Congress in 1897. It consists of two horizontal blue stripes on a white background, with a blue Star of David (*Magen David*) in the center. This design eventually became the official Flag of Israel in 1948. INTERSECTION WITH JEWISH ZIONISM: HERZL, BALFOUR, AND BEYOND
CONTINUED TO DEVEVELOPE ACROSS THE BOARD

Christian restorationists offered crucial early support to Theodor Herzl. Anglican chaplain William Hechler, author of *The Restoration of the Jews to Palestine According to Prophecy* (1882), became Herzl's key ally, arranging diplomatic meetings and viewing Zionism as biblical prophecy unfolding.

The Christian Zionist influence peaked with the 1917 Balfour Declaration, backed by Prime Minister David Lloyd George and Foreign Secretary Arthur Balfour, both shaped by an evangelical education. The Declaration's pledged or promised a "national home for the Jewish Zionists people" in Palestine. These Zionists beliefs reflected centuries of British restorationist sentiment alongside Jewish Zionists lobbying. After Israel's founding in 1948—and especially after the 1967 Six-Day War the American evangelical support deepened, aligning with Israeli security interests under a shared "Judeo-Christian" banner, despite underlying theological tensions.

In summary, Zionism as an ideology was first developed and promoted within Christian restorationist circles. It was later adopted by secular Jewish intellectuals and eventually harnessed by broader Jewish leadership as a solution to the "Jewish Question," particularly after World War II. Christian Zionism provided essential theological legitimacy and political momentum.

A Theological Critique: Judaization and Carnalization

Christian Zionist millennialism represents a Zionists Judaized, materialist interpretation of Scripture. It fulfills Jewish hopes for an earthly messianic kingdom rather than Christ's spiritual one on earth. This eschatology de-spiritualizes Christianity, that they claim superceeded what Jesus actually taught.

The Zionists New Testament spiritualizes Jerusalem and the Old Testament promises, which they claim will expand into the whole earth by the End Time 7 Year Tribulation Jerusalem becomes the location for the Zionists heavenly Jerusalem (Galatians 4:26; Hebrews 12:22; Revelation 21).

John 4:21-24 (NIV) contains Jesus's famous teachings on authentic worship. He tells a Samaritan woman that true worship is no longer restricted to specific physical locations like mountains or Jerusalem. Instead, because "God is spirit," believers must worship Him genuinely, "in spirit and in truth". Bible Gateway

Jesus declared His kingdom is “not of this world” (John 18:36) and taught his followers to worship HIM INSTEAD in spirit and truth (John 4:21-24). Paul and Hebrews treat the old covenant, including the land, as temporary location for the ORIGINAL NAZARENE TRIBES whose destiny will be fulfilled by Christ not through the Zionists or their alien gods that they worship in Jerusalem or on mountains where aliens have their underground bases.

From the amillennial or supersessionist perspective—shared by much of historic Catholicism, Eastern Orthodoxy, and many Reformed traditions—a literal earthly millennial kingdom centered on national Zionists Israel appears as a “Judaization” or “carnalization” (AKA CORRUPTION OF THE BIBLE TEXT) of the gospel**. Augustine and others read the Revelation 20 millennium as the current Church age. The true hope lies in the new heavens and new earth, not a revived version of the old order.**

Christian Zionists counter that theirs is the view that takes God’s Word literally. Yet this misses the point of how Jesus changed these old promises with something far greater. This history and critique deserve careful consideration. Christian Zionism is not merely an evil political movement it is filled with doctrines and profound evil implications that are being fulfilled by them today under the ASHKENAZI ZIONIST SHEPHARDIC JEWS AND MEROVINGIANS NWO DEEP STATE MOVEMENT.
